### Highlights 2018

The EGMP Coordination Unit wishes you all a very Happy New Year. A range of activities has been implemented collaboratively during 2018, paving the way for a productive 2019. We would like to highlight some of the many activities of the year 2018:

First meeting of the **International Modelling Consortium** for Species Management Planning, took place in Kalø, Denmark, 15-16 January 2018.

**AEWA International Management Planning Workshop for the Barnacle Goose and the Greylag Goose (NW/SW European population)**, 19 June 2018, Leeuwarden, the Netherlands

was held back-to-back with the

**3rd Meeting of the AEWA European Goose Management International Working Group (EGM IWG3)**, 20-21 June 2018.

## Further activities in 2018:

The three **Task Forces** for the EGMP for **Agriculture**, **Pink-footed Goose** and **Taiga Bean Goose** have taken up work and were meeting regularly both virtually and for the first time face-to-face in Leeuwarden, the Netherlands, on 18 June, back to back with the EGM IWG3.
