Discussion: present gaps in the activities of the Modelling Consortium

Next steps

Funding situation

Please provide in advance any written material (draft papers, scripts, other documents) which might be useful background reading!

Venue and accommodation

The meeting will be held at Aarhus University, Kalø, Grenåvej 14, DK-8410 Rønne.

Participants will be accommodated at the Youth Hostel in Rønne (500 m from Kalø). The hostel has been booked from the 20th of March.

You will get a code for your room.

All meals will be served at Kalø.

Please inform us, if you have any special dietary requirements.

Travel schedules

If you travel by airplane, go to Aarhus Airport. We may be able to pick you up; alternatively take a taxi to the Rønne Youth Hostel.

We expect you to arrive on the 20th of March and to depart in the late afternoon on the 22nd of March.

Please inform us about your travel schedules so that we can provide support!

Send travel schedule and dietary requirements to Henning Heldbjerg: hh@bios.au.dk; telephone +45 24273250.
